## Lenders Mortgage Insurance (LMI)

The Bank requires you to contribute a deposit based on a percentage of the purchase price of your property. With Lenders Mortgage Insurance, the Bank may allow you as a borrower to borrow a higher portion of the purchase price, allowing you to purchase a property sooner and with a smaller deposit than would otherwise be required. Lenders Mortgage Insurance should not be mistaken for Mortgage Protection Insurance, which covers your mortgage in the event of death, sickness, unemployment or disability. Lenders Mortgage Insurance protects the Bank against a loss should you as a borrower default on your home loan.

### Privacy consent – lending

#### What sort of personal information do we collect when you apply for credit?

Usually, we collect information such as your name, date of birth and evidence of identity, as well as information about your financial position and your current credit history.

#### What happens if you do not provide us with information?

If you do not provide us with personal information, we may not be able to provide you with the products and services you are seeking.

#### What also happens when you apply for credit?

When you apply for credit, then, under the responsible lending obligations in the National Consumer Credit Protection Act, credit providers need to see your credit history and present position in order to assist them in meeting their obligations.

Consequently, we may obtain a credit report about you from a credit reporting body when you apply for credit with us.

#### What is in a credit report?

A credit report contains information about your credit history. This helps us assess your credit worthiness, credit applications, verify your identity and manage the loan accounts and credit facilities you have with us.

Credit reporting bodies use credit information about individuals to prepare credit reports which may then be made available to credit providers to assist them in assessing individuals' credit worthiness.

#### What information can we exchange with credit reporting bodies?

The information we exchange includes your identification details, what type of loans you have, how much you've borrowed, whether or not you've met your scheduled payment obligations and if you have committed a serious credit infringement.

We will ask the credit reporting body to provide us with an overall assessment score of your creditworthiness.

The credit reporting bodies we use are:

Equifax Australia Information Services and Solutions Pty Ltd ("Equifax Australia") and DBCC Pty Ltd (Illion)

- ▶ Equifax Australia can be contacted through their website at: [www.equifax.com.au/contact](http://www.equifax.com.au/contact)
- ▶ illion can be contacted through their website at: [www.illion.com.au](http://www.illion.com.au)

You can also download a copy of:

- ▶ Equifax Australia's privacy policies at their website, [www.equifax.com.au](http://www.equifax.com.au).
- ▶ illion's privacy policies at their website, [www.illion.com.au](http://www.illion.com.au).

#### Comprehensive credit reporting

As from 12 March 2014, we can pass to a credit reporting body or bodies (the ones we use are Equifax Australia or illion or both – see above) details of your credit information and history – including credit you have applied for, the amounts you have borrowed, whether or not payments have been made on time and whether you have committed a serious credit infringement.

#### Pre-screening and restricting disclosure in cases of fraud

Credit providers may ask credit reporting bodies to use their credit-related information to pre-screen you for direct marketing. You can ask a credit reporting body not to do this.

Also, if you've been, or have reason to believe that you have been, are, or likely to become, a victim of fraud (including identity fraud), you can ask the credit reporting body not to use or disclose the credit-related information it holds about you.

#### To whom do we disclose personal information?

We may exchange information about you with our travel company subsidiary Tertiary Travel Service Pty Limited ABN 28 008 900 981.

The types of people and entities we disclose personal information about you to include:

- ▶ organisations which provide or confirm information to verify your identity

- ▶ employers or former employers (to verify employment in the case of loan applications)
- ▶ government and law enforcement agencies or regulators
- ▶ credit reporting bodies and other credit providers and
- ▶ organisations that help identify and investigate inappropriate or illegal activity, such as fraud.

#### Electronic verification of identity

Subject to your consent, we will disclose personal information about you to a credit reporting body in order to verify your identity. We will disclose your name, address and date of birth. We will ask the credit reporting body to prepare and provide us with an assessment as to whether that personal information matches that held in their credit information files. In preparing this assessment, the credit reporting body may use the personal information of other individuals.

The credit reporting body will also submit personal information about you from your identification documents to the Australian Government's Document Verification Service (DVS). The DVS is a national online system that allows personal identifying information about individuals to be compared against government records. Your information will be matched against that held by the relevant government department or agency. You can find out more about the DVS on their website.

If you do not consent to this process, alternative forms of verifying your identity are available on request.

If we are unable to verify your identity with the credit reporting body, you will be provided with a notice to that effect. You may then be asked to provide further evidence of your identity. If we are unable to satisfactorily identify you, we will not be able to admit you to membership or provide you with the services or products you seek.
