

Redraw registration

Redraw is a feature that allows you to withdraw the extra payments made on your loan in addition to your scheduled repayments.

By making extra repayments, you may save interest on the loan and reduce the amount of time it takes to pay it back. You can then access the extra repayments when needed, as long as your loan always remains one repayment in advance.

Ways to redraw on your loan?

Phone banking

Transfer the redrawn amount to your Teachers Mutual Bank Limited savings account on the same member number as your loan.

Internet banking

If you are registered for internet banking, you can transfer the redrawn amount to any account.
